2.2 Proxies

(a) Voting by proxy

A Proxy Form is attached to the Notice. This is to be used by Shareholders if they wish to appoint a representative (a 'proxy') to vote in their place. All Shareholders are invited and encouraged to attend the Meeting or, if they are unable to attend in person, sign and return the Proxy Form to the Company in accordance with the instructions thereon. Lodgement of a Proxy Form will not preclude a Shareholder from attending and voting at the Meeting in person.

Please note that:

- (ii) a proxy need not be a member of the Company; and

The enclosed Proxy Form provides further details on appointing proxies and lodging Proxy Forms.

(b) Proxy vote if appointment specifies way to vote

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, if it does:

- (i) the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed);
- (ii) if the proxy has 2 or more appointments that specify different ways to vote on the resolution - the proxy must not vote on a show of hands;

- (iii) at the meeting, a poll is duly demanded on the resolution; and
- (iv) either the proxy is not recorded as attending the meeting or the proxy does not vote on the resolution,

the chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

2.3 Voting Prohibition by Proxy Holders (Remuneration of Key Management Personnel)

In accordance with sections 250BD and 250R of the Corporations Act, votes on Resolution 1 must not be cast (in any capacity) by, or on behalf of:

- (a) a member of the Key Management Personnel; or

However, a person described above may cast a vote on Resolution 1 if the vote is not cast on behalf of a person who is excluded from voting on the relevant Resolution and:

- (a) the person is appointed as proxy by writing that specifies the way the proxy is to vote on the Resolution; or
- (b) the person is the Chair and the appointment of the Chair as proxy does not specify the way the proxy is to vote on the resolution, but expressly authorises the Chair to exercise the proxy even if the Resolution is connected with the remuneration of a member of the Key Management Personnel.

2.4 Chair's voting intentions

The Chair intends to exercise all available proxies in favour of all Resolutions, unless the Shareholder has expressly indicated a different voting intention.

If the Chair is appointed as your proxy and you have not specified the way the Chair is to vote on Resolution 1 by signing and returning the Proxy Form, you are considered to have provided the Chair with an express authorisation for the Chair to vote the proxy in accordance with the Chair's intention, even though the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel of the Company.

3. Annual Report

In accordance with section 317 of the Corporations Act, Shareholders will be offered the opportunity to discuss the Annual Report, including the Financial Report, the Directors' Report and the Auditor's Report for the financial year ended 30 June 2019.

There is no requirement for Shareholders to approve the Annual Report.

At the Meeting, Shareholders will be offered the opportunity to:

The Directors' Report contains the Remuneration Report which sets out the remuneration policy for the Company and the remuneration arrangements in place for the executive Directors, specified executives and non-executive Directors.

In accordance with subsection 250R(3) of the Corporations Act, Resolution 1 is advisory only and does not bind the Directors. If Resolution 1 is not passed, the Directors will not be required to alter any of the arrangements in the Remuneration Report.

If the Company's Remuneration Report receives a 'no' vote of 25% or more (**Strike**) at two consecutive annual general meetings, Shareholders will have the opportunity to remove the whole Board, except the managing director (if any).

Where a resolution on the Remuneration Report receives a Strike at two consecutive annual general meetings, the Company will be required to put to Shareholders at the second annual general meeting a resolution on whether another meeting should be held (within 90 days) at which all Directors (other than the managing director, if any) who were in office at the date of approval of the applicable Directors' Report must stand for re-election.

The Company's Remuneration Report did not receive a Strike at the 2018 annual general meeting. If the Remuneration Report receives a Strike at this Meeting, Shareholders should be aware that if a second Strike is received at the 2020 annual general meeting, this may result in the re-election of the Board.

The Chair will allow a reasonable opportunity for Shareholders as a whole to ask about, or make comments on the Remuneration Report.

Resolution 1 is an ordinary resolution.

5. Resolution 2 - Election of Director - Giuseppe Graziano

5.1 General

 - (d) the issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes Options, it is assumed that those Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
2. The number of Shares on issue (i.e. Variable A) may increase as a result of issues of Shares that do not require Shareholder approval (for example, a pro rata entitlements issue, scrip issued under a takeover offer or upon exercise of convertible securities) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting.
3. The number of Shares on issue (i.e. Variable A) does not include the Initial Consideration Shares, which are presently intended to be issued between the date of this Notice and the date of the Meeting.
4. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
5. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.
6. The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date or the Equity Securities are issued as part of consideration for the acquisition of a new asset,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

(c) **Final date for issue**

The Company will only issue the Equity Securities under the 10% Placement Facility during the 10% Placement Period.

Shareholder approval of the 10% Placement Facility will cease to be valid if Shareholders approve a transaction under Listing Rule 11.1.2 or 11.2.

(d) **Purposes of issues under 10% Placement Facility**

The Company may seek to issue Equity Securities under the 10% Placement Facility for the following purposes:

- (i) non-cash consideration for the acquisition of new resources assets and investments, or for the continued exploration and development of the Company's existing projects or engagement of services. In such circumstances the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3; or
- (ii) cash consideration. In such circumstances, the Company intends to use the funds raised towards an acquisition of new resources assets or investments (including expenses associated with such acquisition such due diligence costs and external advisors) and continued exploration on the Company's current projects and working capital requirements.

The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 and 3.10.5A upon issue of any Equity Securities.

(e) **Allocation policy**

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
- (ii) the effect of the issue of the Equity Securities on the control of the Company;

For personal use only

- (iii) financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of the Notice but may include existing substantial Shareholders and/or new Shareholders who are not a related party or an associate of a related party of the Company.

Further, if the Company is successful in acquiring new projects, assets or investments, it is possible that the allottees under the 10% Placement Facility will be the vendors of the new projects, assets or investments.

(f) **Issues in the past 12 months**

The Company has previously obtained Shareholder approval under Listing Rule 7.1A at its annual general meeting held on 16 November 2018.

In the 12 months preceding the date of the Meeting and as at the date of this Notice, the Company has not issued any Equity Securities.

Subject to Completion of the Acquisition Agreement occurring, it is intended that the Company will issue 30,769,230 Equity Securities before the date of the Meeting, in the form of the Initial Consideration Shares. This would represent 2.34% of the total number of Equity Securities on issue at the commencement of that 12-month period.

Details of each issue of Equity Securities by the Company during the 12 months preceding the date of the Meeting are set out in Schedule 2.

(g) **Voting exclusion statement**

A voting exclusion statement is included in the Notice.

At the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

9. Background to the proposed acquisition of Clean Power Resources Pty Ltd

9.1 Background

On 30 October 2019, the Company announced that it had entered into a binding term sheet (**Acquisition Agreement**) with Clean Power Resources Pty Ltd (ACN 622 780 152) (**CPR**) and the shareholders of CPR (**Vendors**) to acquire 100% of the issued capital of CPR (**Acquisition**), which holds tenements in Western Australia and New South Wales that are primarily prospective for nickel mineralisation (**Tenements**).

Upon completion of the Acquisition Agreement, the Company will acquire a 100% interest in the Tenements owned by CPR.

9.2 Summary of key terms of the Acquisition Agreement

(a) Consideration

The consideration payable by the Company to the Vendors for the Acquisition is comprised of the following:

- (i) 30,769,230 Shares at a deemed issue price of \$0.0065 each, to be issued at completion (**Initial Consideration Shares**);
- (ii) a 1% net smelter return royalty on all material extracted from the Tenements by the Company and sold; and
- (iii) deferred consideration as follows:

(B) within five business days after the release of an ASX announcement of the commencement of a drilling programme of at least 1,000 meters of air-core drilling, RC drilling or diamond drilling at any of the Tenements within 24 months of Completion, the Company must issue to the Vendors an aggregate amount of \$200,000 worth of Shares at a deemed issue price equal to the higher of:

- (1) \$0.0065; or
- (2) the volume weighted average price of Shares traded on ASX during the 30 days on which sales in Shares were recorded on ASX ending on the day before the relevant ASX announcement (**30-Day VWAP**),

(**Tranche 1 Deferred Consideration Shares**);

(C) within five business days after the release of an ASX announcement of drill intersection of nickel sulphides of at least 0.7% Ni at any of the Tenements within 24 months of Completion, the Company must issue to the Vendors an aggregate amount of \$600,000 worth of Shares at a deemed issue price equal to the higher of:

- (1) \$0.0065; or
- (2) the 30-Day VWAP

(**Tranche 2 Deferred Consideration Shares**); and

(D) within five business days after the release of an ASX announcement of a JORC compliant resource estimate of at least 20,000 tons of nickel at minimum grade of 0.7% Ni at any of the Tenements, the Company must, at the election of the Company, either:

- (1) issue to the Vendors an aggregate amount of \$1,000,000 worth of Shares at a deemed issue price equal to the 30-Day VWAP; or
- (2) pay the Vendors an aggregate amount of \$1,000,000 in cash.

(b) **Condition precedent**

Completion of the Acquisition is subject to the satisfaction and completion of due diligence by the Company (**Due Diligence Condition**). The Company has 14 days from the date of the Acquisition Agreement to complete legal, financial and technical due diligence investigations on CPR and the Tenements (**Due Diligence Period**).

During the Due Diligence Period, the Vendors and CPR must:

- (i) grant the Company, and its agents, access to Mining Information and any other information that the Company considers (acting reasonably) may be material to the Company's due diligence investigations on CPR or the Tenements; and
- (ii) provide all reasonable assistance requested by the Company or its agents to access all Mining Information in relation to the Tenements held by the relevant government authorities.

Upon completion of the due diligence, the Company must inform the Vendors by written notice, that it is satisfied with the outcome of its due diligence investigations within the Due Diligence Period.

As at the date of this Notice, the Due Diligence Period is underway.

(c) **Voluntary escrow**

The Acquisition Agreement provides that 15,384,615 of the Initial Consideration Shares (**Escrowed Shares**) will be subject to voluntary escrow for a period ending six months after the Completion Date (**Voluntary Escrow Period**).

During the Voluntary Escrow Period, the holders of the Escrowed Shares may:

- (i) accept their respective Escrowed Shares into a takeover bid made under Chapter 6 of the Corporations Act in respect of all the Shares that is or has become free of any defeating conditions (other than a condition in respect of the events listed in section 652C of the Corporations Act);
- (ii) have their respective Escrowed Shares transferred or cancelled as part of the transfer or cancellation of all the Shares as part of a scheme of arrangement under Part 5.1 of the Corporations Act; or
- (iii) otherwise deal with their respective Escrowed Shares as may be required by applicable law or order of a court of competent jurisdiction,

and the Company must ask its share registry to remove the holding lock to allow the holder to deal with their respective Escrowed Shares in the circumstances described above.

With the exception of the holding lock described above, the holders will be entitled to all other rights applicable to holders of Shares in respect of the Escrowed Shares, including in relation to voting, entitlements to participate in pro rata offers to eligible security holders, bonus issues and dividends.

The Escrowed Shares comprise 50% of the total number of Initial Consideration Shares, and 1.63% of the Company's Shares on issue as at the date of this Notice.

9.3 Timing of the Acquisition

As at the date of this Notice, the Acquisition Agreement has been executed and the Company is undertaking its due diligence investigations.

Subject to the satisfaction of the Due Diligence Condition, it is intended that Completion will occur before the date of the Meeting.

In the event that Completion does not occur before the date of the Meeting, it is the Company's present intention to withdraw Resolutions 6 and 7.

10. Resolution 6 - Ratification of prior issue of Initial Consideration Shares

10.1 General

Refer to Section 9 for details regarding the proposed acquisition of CPR.

Subject to the satisfaction of the Due Diligence Condition, it is intended that Completion will occur before the date of the Meeting. This would result in the Company issuing the Initial Consideration Shares before the date of the Meeting.

Resolution 6 seeks the approval of Shareholders pursuant to Listing Rule 7.4 to ratify the issue of the Initial Consideration Shares.

Resolution 6 is an ordinary resolution.

The Board recommends that Shareholders vote in favour of Resolution 6.

10.2 Listing Rules 7.1 and 7.4

Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more Equity Securities during any 12-month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12-month period.

Listing Rule 7.4 provides an exception to Listing Rule 7.1. It provides that where a company in general meeting ratifies the previous issue of securities made pursuant to Listing Rule 7.1 (and provided that the previous issue did not breach Listing Rule 7.1), those securities will be deemed to have been made with shareholder approval for the purpose of Listing Rule 7.1.

The effect of Shareholders passing Resolution 6 will be to restore the Company's ability to issue further Equity Securities, to the extent of 30,769,230 Equity Securities, during the next 12 months without the requirement to obtain prior Shareholder approval.

10.3 Specific information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to the ratification of the issue of the Initial Consideration Shares:

- (a) a total of 30,769,230 Initial Consideration Shares are proposed to be issued;

 - (d) the Initial Consideration Shares will be issued to the Vendors, none of whom is a related party of the Company;
 - (e) no funds will be raised from the issue of the Initial Consideration Shares as the Consideration Shares are to be issued as part consideration for the Acquisition; and

11. Resolution 7 - Approval to issue Deferred Consideration Shares

11.1 General

Resolution 7 seeks Shareholder approval pursuant to Listing Rule 7.1 for the issue of the Deferred Consideration Shares to the Vendors.

Resolution 7 is an ordinary resolution.

The Board recommends that Shareholders vote in favour of Resolution 7.

11.2 Listing Rule 7.1

A summary of Listing Rule 7.1 is contained in Section 10.2 above.

The effect of Resolution 7 will be to allow the Company to issue the Deferred Consideration Shares during the period of up to 25 months after the Meeting without using the Company's 15% annual placement capacity under Listing Rule 7.1.

 - (g) it is intended that the Deferred Consideration Shares will only be issued if the relevant milestones set out in Section 9.2(a) are achieved; and
 - (h) a voting exclusion statement is included in the Notice.

11.4 ASX waiver

Listing Rule 7.3 sets out the requirements for shareholder approval under Listing Rule 7.1. In particular, Listing Rule 7.3.2 provides that the notice of meeting must (inter alia) state the date by which the entity will issue the securities and that the securities must be issued no later than three months after the date of the meeting and no later than six months if the securities are being issued under a reverse takeover.

The Company received a waiver of Listing Rule 7.3.2 to permit the issue of the Deferred Consideration Shares to no later than 25 months after the date of the Meeting.

The full terms of the waiver are as follows:

- '1. *Based solely on the information provided, ASX Limited ('ASX') grants Tyranna Resources Limited (the 'Company') a waiver from listing rule 7.3.2 to the extent necessary to permit the notice of meeting to be issued by the Company seeking approval for the issue of up to 30,769,231 Tranche 1 Deferred Consideration Shares at a deemed price of \$0.0065 per Share and 92,307,692 Tranche 2 Deferred Consideration Shares at a deemed price of \$0.0065 per Share to Clean Power Resources Pty Ltd ('Clean Power') ('Deferred Consideration Shares') not to state that the Deferred Consideration Shares will be issued no later than three months after the date of the meeting the subject of the Notice, on the following conditions:*
 - 1.1 *The Notice seeks approval for a stated maximum number of Deferred Consideration Shares that will be issued.*
 - 1.2 *The Notice states the Deferred Consideration Shares will be issued no later than 25 months from the date of shareholder approval for the issue of the Deferred Consideration Shares.*
 - 1.3 *If the Company releases an annual, half-year or quarterly report during the period in which Deferred Consideration Shares are issued or remain to be issued, periodic report discloses details of the Deferred Consideration Shares issued in that reporting period, the number of Deferred Consideration Shares that remain to be issued and the basis on which they may be issued.*
 - 1.4 *The Company immediately releases the terms of the waiver to the market.*

2. *ASX has considered Listing Rule 7.3.2 only and makes no statement as to the Company's compliance with other listing rules.'*

12. Resolution 8 - Amendment to the Constitution

12.1 General

Under section 136(2) of the Corporations Act, a company may modify or repeal its constitution or a provision of its constitution by special resolution of Shareholders.

Resolution 8 seeks the approval of Shareholders to modify the Company's Constitution as set out in Schedule 4.

A copy of the amended constitution is available for review by Shareholders at the office of the Company. A copy of the amended constitution can also be sent to Shareholders upon request to the Company Secretary. Shareholders are invited to contact the Company if they have any queries or concerns.

Resolution 8 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The Board recommends that Shareholders vote in favour of Resolution 8.

12.2 Background

Changes to the Listing Rules will commence on 1 December 2019 which will require a listed entity's constitution to contain certain provisions regarding Restricted Securities if the entity has any Restricted Securities on issue. Although the Company does not presently have any Restricted Securities on issue and does not have any present intentions to undertake a transaction which would result in the issue of Restricted Securities, the Board considers it prudent to take this opportunity to update the Constitution to ensure it complies with these new requirements.

With effect from 1 December 2019, ASX intends to apply a two-tier escrow regime where ASX can require certain more significant holders of Restricted Securities and their controllers to execute a formal escrow agreement in the form of Appendix 9A of the Listing Rules, as is currently the case. However, for less significant holdings, ASX will instead permit entities to rely on a provision in their constitution imposing appropriate escrow restrictions on the holders of restricted securities and to simply give a notice to the holders of Restricted Securities in the form to be set out in an appendix to the Listing Rules, advising them of those restrictions.

To facilitate the operation of the new two-tier escrow regime, certain changes are required to the customary provisions of constitutions of ASX-listed entities regarding Restricted Securities.

HOW TO COMPLETE THIS SHAREHOLDER PROXY FORM

**IF YOU WOULD LIKE TO ATTEND AND VOTE AT THE MEETING, PLEASE BRING THIS FORM WITH YOU.
THIS WILL ASSIST IN REGISTERING YOUR ATTENDANCE.**

CHANGE OF ADDRESS

This form shows your address as it appears on Company's share register. If this information is incorrect, please make the correction on the form. Shareholders sponsored by a broker should advise their broker of any changes.

APPOINTMENT OF A PROXY

If you wish to appoint the Chairman as your proxy, mark the box in Step 1. If you wish to appoint someone other than the Chairman, please write that person's name in the box in Step 1. A proxy need not be a shareholder of the Company. A proxy may be an individual or a body corporate.

DEFAULT TO THE CHAIRMAN OF THE MEETING

If you leave Step 1 blank, or if your appointed proxy does not attend the Meeting, then the proxy appointment will automatically default to the Chairman of the Meeting.

VOTING DIRECTIONS – PROXY APPOINTMENT

You may direct your proxy on how to vote by placing a mark in one of the boxes opposite each resolution of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any resolution by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on a given resolution, your proxy may vote as they choose to the extent they are permitted by law. If you mark more than one box on an resolution, your vote on that resolution will be invalid.

PROXY VOTING BY KEY MANAGEMENT PERSONNEL

If you wish to appoint a Director (other than the Chairman) or other member of the Company's key management personnel, or their closely related parties, as your proxy, you must specify how they should vote on Resolution 1, by marking the appropriate box. If you do not, your proxy will not be able to exercise your vote for Resolution 1.

PLEASE NOTE: If you appoint the Chairman as your proxy (or if they are appointed by default) but do not direct them how to vote on an resolution (that is, you do not complete any of the boxes "For", "Against" or "Abstain" opposite that resolution), the Chairman may vote as they see fit on that resolution.

APPOINTMENT OF A SECOND PROXY

You are entitled to appoint up to two persons as proxies to attend the meeting and vote on a poll. If you wish to appoint a second proxy, an additional Proxy Form may be obtained by telephoning Advanced Share Registry Limited or you may copy this form and return them both together.

To appoint a second proxy you must:

- (a) On each Proxy Form state the percentage of your voting rights or number of shares applicable to that form. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded; and
- (b) Return both forms together.

CORPORATE REPRESENTATIVES

If a representative of a nominated corporation is to attend the meeting the appropriate "Certificate of Appointment of Corporate Representative" should be produced prior to admission in accordance with the Notice of Meeting. A Corporate Representative Form may be obtained from Advanced Share Registry.
